Júlio Santos *Software Engineer*

whoisjuliosantos.com • hi@whoisjuliosantos.com • (+351) 931 616 899

Main interests

Web and Mobile Development, Human-Computer Interaction, Usability, Information Visualization and Software Engineering.

Current position

***Front-end developer**, Gruvi 2010 – now*
Gruvi is a start-up based on Copenhagen, aiming to help movie distributors market their films effectively on Facebook. Our product is a Facebook Application built with Ruby on Rails 3, MySQL, HTML 5, JavaScript, CSS and Flash.

Work experience

***Software Developer**, Fraunhofer AICOS Portugal 2010*
Development and deployment of a health channel for Ambient Assisted Living in several hardware platforms: web browsers (XHTML, CSS and JavaScript), Windows Media Center (.NET, C# and MCML), Yahoo TV Widgets (its own JavaScript-based development framework). The back-end was built with Python, PHP and SQLite3.

***Android Developer**, Fraunhofer AICOS Portugal 2009 – 2010*
Touch-enabled family calendar and to-do list for the Google Android Platform (Java).

***Haptics Developer**, Faculty of Engineering of the University of Porto 2009 – 2010*
Haptic-feedback enabled application for remotely controlling a motor. Built using C, C++, Qt and OpenGL.

***Web Developer**, Faculty of Psychology of the University of Porto 2008*
Scalable interactive tool for the printing of participation certificates. Built using Ruby on Rails, XHTML, JavaScript and CSS.

***Flash Developer**, Bolos Quentes 2010*
Interactive multiplayer game about recycling and the environment. Built with Flash and ActionScript 3.

***Web Developer**, Faculty of Architecture of the University of Porto 2007 – 2009*
Web-based platform for presentation and discussion of architecture projects. Highly complex project built using PHP, MySQL, XHTML, JavaScript, CSS and Flash.

***Flash Developer**, Porto Editora 2005 – 2006*
CD-ROM application in Flash (extra material for a Biology school book). Built using Flash and ActionScript 2.

Education

Master in Informatics and Computer Engineering
Faculty of Engineering of the University of Porto, Portugal

Main themes: Software Engineering, Agile Development, Project Management, Artificial Intelligence, Computer Networks, Operating Systems, Distributed Systems, Enterprise Management, Marketing, Human-Computer Interaction, Databases, Web Development, Algorithms, Computer Graphics, Markup Languages.

Main technical skills acquired: C, C++, Java, OpenGL, Prolog, XHTML, CSS, XML, PHP, Ruby on Rails, SQL, UML.

Thesis: Personal Health Channel for Ambient Assisted Living.

Publications

***Human-Machine Real-Virtual Haptic Interaction Systems**, Virtual University 9th International Conference 2008*
Relative to my extracurricular work with a Haptic Device.

Extracurricular experience

***Founding member**, the Faculty's IT Students Group 2006 – 2010*
Organization and promotion of IT-related events. Supporting IT students. Software development. As president (2008 – 2009), project management for multiple ongoing projects.

***Head of Culture**, the Faculty's Student's Association 2008 — 2009*
Cultural programme conception, organization and promotion.

***Haptics Developer**, Faculty of Engineering of the University of Porto, Portugal 2007 – 2008*
Applications for interaction with a professional-grade Haptic Device.

***Tutor**, Faculty of Engineering of the University of Porto, Portugal 2008*
Integration and monitoring of first year students at FEUP, and guidance for their first research projects.

Technical skills

Programming Specialties
C, C++, C#, Java, OpenGL, SQL, Ruby on Rails, PHP, [X]HTML, CSS, XML, JavaScript, jQuery, ActionScript, LaTeX

Additional programming skills
XSLT, XPath, Python, Prolog, Bash Scripting, Processing, PL/SQL, MCML

Applications
Adobe Flash, Adobe Photoshop, Adobe InDesign, Vim (power user), Eclipse, Visual Studio, Blender

Other
LAMP (Linux, Apache, MySQL and PHP), SEO (Search Engine Optimization), UML modelling

Language skills

English
Proficient user at all levels.
Graded A on CPE (2005), CAE (2003) and FCE (2001). Student at The British Council (1996 – 2005).

French
Average user.
DELF 1st and 2nd degree (2003).

Native **Portuguese** speaker and can understand **Spanish**.

Personal and social skills

Good written and spoken production ability.
Natural ability in preparing and conducting presentations.
Easy adaptation to small and medium-sized teams.
Vast experience in logistics and event organizing.
Good ability to work under pressure and meet deadlines.

Awesome skills

Cooking: I like to cook for myself and groups of people.

Driving: got a B+B1 european driving license.
